IN JESUS' NAME

Here are some suggestions:

1) Choose a missionary supported by our church.
2) Contact them periodically (e-mail, etc.)
3) Pray for them regularly
4) Develop a friendly, personal connection with them.
5) Share their life (family?) … and yours (and/or our church's)
6) Get to know what they do (their mission work)
7) Help arrange a warm welcome when they visit
8) Be a communicator of their needs with our church
9) Be a liaison between them and our church family and get others interested in them too
